Group Dental Plan

Here's what you've been looking for in a dental plan

SmileSaver is one of the largest providers of pre-paid dental plans in California, with nearly 280,000 members and over a thousand participating dental offices. You'll benefit from the quality and individual attention of private care, and the value and convenience of a group plan.

Q: Can I choose my own dentist?

A: Yes. SmileSaver has a statewide network of private dental offices, all pre-screened for quality. Each family can select up to 3 different dentists (one provider per family member) from our extensive list of participating providers.

Q: May I change my dental office if I want to?

A: Of course. Just contact our Member Services Department and they will make the change. Your satisfaction is our #1 priority.

Q: Are there any deductibles I should know about?

A: No. There are no deductibles, no claim forms, and no waiting for reimbursement. We've cut the paper work.

Q: Is there a maximum benefit limit to my coverage?

A: There are no financial limits to the services you can receive.

Q: Are cosmetic procedures covered?

A: Yes! Elective procedures such as cosmetic crowns, porcelain laminates and teeth bleaching are covered benefits.

Q: Can I get orthodontic coverage?

A: Yes! Coverage is included, allowing you to enjoy comprehensive orthodontic services at great savings.

Q: What do I do when I need dental care?

A: Simply call your selected dental office for an appointment and present your Membership Card when you arrive. You'll get the professional service and care you need.

Q: What if I have more questions?

A: Call our toll-free Member Services line at (800) 333-9561 (Monday - Friday, 8 a.m. to 6 p.m.).

Q: What if I have a dental emergency at night or away from home?

A: We understand that some dental emergencies can't wait for "regular office hours." As a Member of this SmileSaver dental plan, you can get emergency service seven days a week, 24 hours a day. And if you're more than 50 miles from your own dentist, we'll even reimburse you up to \$50 for emergency services provided by a non-network dentist.

A: SmileSaver makes it easy to get the care you need...

- No Charge for x-rays
- No Charge for routine cleaning, twice annually
- No Charge for fillings
- No Charge for simple extractions
